Memories...

Dear Senior,
Graduation from high school is a significant event. We have tried to provide you with a challenging and caring environment with many opportunities to learn, to socialize and make friends, to try out new ideas, to do new things and to do these in positive ways. We think you are ready for the next stage of your life: a stage that carries with it all that you have learned and done which is good here at CRLS.

It has been our privilege to teach you and to guide you through this important time of your life. As you prepare to leave, take with you our best wishes for a happy, healthy and successful future.

Sincerely,
Dr. Len Solo, Principal

In Memory Of William Summers

MARCH
13th
2002

May 8, 1945 **March 13, 2002**

William was a very loving person who always had concerns for others and helped others take care of themselves while putting himself last. In mid 2000 he was told he had a bad kidney. He then fought for 2 years to stay alive. He fought a good battle. He lived with the ailment like it was never there. He went to work everyday and he lived his life as if it were new. He served his country in the U.S. Army in Germany, receiving an honorable discharge.He left behind four children, Robert Summers, Casandra Summers, William Frederick, And Anthony Summers, along with four precious grandchildren, and a very loving and friendly family.As a member of this beautiful family I thank everybody who has supported me and the rest of the family we love you all.

WE ALL MISS YOU DAD!!
-THE FAMILY

In the Loving Memory of Garrett Russell Allen

We sat beside your bedside.
Our hearts were crushed and sore;
We did our best to the end.
'Til we could do no more.

In tears we watched you sinking,
We watched you fade away;
And though our hearts were breaking
We knew you could not stay.

You left behind some aching hearts,
That loved you most sincere;
We never shall and never will
Forget you our dear.

Life is full of special things
but best of all of these-
The happiness that friendship brings,
the joy of memories

May 18, 1984 **April 7, 2002**

"I was in Mr. O'Neill's Science Fiction class when we had heard the devastating news that the World Trade Center had been attacked by planes. At first I thought people were over reacting to the whole situation, but after seing it on the news I realized that it was as bad as everybody made it seem."

-Dereque Gibson-Perry

"I was walking from Project 10 East to Biology class when a teacher that I knew told me that the planes had just hit the World Trade Towers in New York. At first I thought it was a joke because we are the most powerful nation."

- Jarett Grablowski

" I was giving a pass to a student in Emily Donaldson's class and someone was reading an article on the internet and I thought it was an accident until they announced the second plane. I had friends and family in New York, so I made my best effort to make sure they were fine. During lunch time I called my mother to make sure my step brother and his girlfrind were ok and I asked my friend's siblings what they'd heard."

- Siobhan O'Sullivan

THE DAY THE WORLD CRIED

"I was in Criminal Law class watching Law & Order when Emilio Trinidad told me that the building just exploded and I asked him what building and he said the World Trade Center and I told him to stop lying. Then my teacher said it was true and we stopped the video and turned on Channel 7 and there it was on screen. I was shocked to see the building."

- Sheryl Nicolas

"As I was informed about the New York tragedy, my feelings of sorrow overwhelmed me. The only emotions coarsing through my veins where ones of concern and determination to ensure that this ill human act will never occur again."

-Lillian Vega

"It was the most scariest thing I've ever heard. I never thought it would happen here in America. We always hear about things like that happening in other parts of the world not here, never, not here."
